

Targa Resources Corp. Announces Quarterly Dividend and Timing of Fourth Quarter 2025 Earnings Webcast

January 15, 2026

HOUSTON, Jan. 15, 2026 (GLOBE NEWSWIRE) -- Targa Resources Corp. (NYSE: TRGP) ("Targa" or the "Company") today announced its quarterly dividend on common shares with respect to the fourth quarter of 2025.

Targa announced today that its board of directors has declared a quarterly cash dividend of \$1.00 per common share, or \$4.00 per common share on an annualized basis, for the fourth quarter of 2025. This cash dividend will be paid February 13, 2026, on all outstanding common shares to holders of record as of the close of business on January 30, 2026.

For the first quarter of 2026, Targa intends to recommend to its Board of Directors an increase to its common dividend to \$1.25 per common share or \$5.00 per common share annualized. The recommended common dividend per share increase, if approved, would be effective for the first quarter of 2026 and payable in May 2026.

The Company will report its fourth quarter 2025 financial results before the market opens for trading on Thursday, February 19, 2026, and will host a live webcast over the internet at 10:00 a.m. Central Time to discuss its 2025 fourth quarter financial results.

Forward-Looking Statements

Certain statements in this release are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements, other than statements of historical facts, included in this release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future, are forward-looking statements, including statements regarding the Company's projected financial performance, capital spending, and payment of future dividends. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties, factors and risks, many of which are outside the Company's control, which could cause results to differ materially from those expected by management of the Company. Such risks and uncertainties include, but are not limited to, actions taken by other countries with significant hydrocarbon production, weather, political, economic and market conditions, including a decline in the price and market demand for natural gas, natural gas liquids and crude oil, the timing and success of the Company's completion of capital projects and business development efforts, the expected growth of volumes on the Company's systems, the impact of significant public health crises, commodity price volatility due to ongoing or new global conflicts, the impact of disruptions in the bank and capital markets, changes in laws and regulations, particularly with regard to taxes, tariffs and international trade, and other uncertainties. These and other applicable uncertainties, factors and risks are described more fully in the Company's filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K, and any subsequently filed Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. The Company does not undertake an obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
