Explanation of Responses:

1. The performance element of performance unit awards, which also include time-based vesting, covering Targa Resources Partners LP ("TRP") common units was eliminated in connection with Targa Resources Corp.'s acquisition of TRP (the "Merger"), and the awards were converted into purely time-based awards covering common stock of Targa Resources Corp. The TRP performance unit awards were not required to be reported on a Form 4 prior to vesting and the converted awards were inadvertently omitted from the Form 4 filed in connection with the Merger. The Form 4 filed in connection with the Merger included the shares of common stock of Targa Resources Corp. that the reporting person received in exchange for the TRP common units the reporting person owned prior to the Merger.
