

TARGA RESOURCES LLC
PURCHASE ORDER TERMS AND CONDITIONS

THE TERMS AND CONDITIONS CONTAINED HEREIN SHALL APPLY ONLY IN THE EVENT THAT CONTRACTOR AND TARGA RESOURCES LLC OR ANY TARGA AFFILIATE (COLLECTIVELY REFERRED TO HEREIN AS "TARGA") ARE NOT PARTIES TO ANY OTHER AGREEMENT IN EFFECT BY WHICH CONTRACTOR SUPPLIES TARGA WITH THE MATERIALS AND/OR SERVICES DESCRIBED IN A PURCHASE ORDER BETWEEN THE PARTIES, INCLUDING, BUT NOT LIMITED TO, ANY MASTER SERVICES AGREEMENT OR ALLIANCE AGREEMENT BETWEEN CONTRACTOR AND TARGA (HEREINAFTER, EACH A "SUPPLY AGREEMENT"). IN THE EVENT ANY SUCH SUPPLY AGREEMENT EXISTS, SUCH SUPPLY AGREEMENT SHALL GOVERN CONTRACTOR'S SUPPLY OF SERVICES AND/OR MATERIALS TO TARGA. CAPITALIZED TERMS NOT OTHERWISE DEFINED SHALL HAVE THE MEANING SET FORTH IN EXHIBIT "A".

PURCHASE ORDER TERMS AND CONDITIONS

1. PARTIES AND TERMS

- A. A "Purchase Order" is a written request for Services from the Targa entity named on page one of the Purchase Order, to an entity named as Contractor on page one of the Purchase Order (the "Contractor"). Each Purchase Order together with (i) these Purchase Order Terms and Conditions and the Exhibits referenced herein, (ii) any documents attached to the Purchase Order at the time of the issuance of the Purchase Order and expressly referenced therein, and (iii) any Change Orders to the Purchase Order, shall constitute the entire agreement for the purchase of Services, including Materials, specified in the Purchase Order (the "Agreement"). The Agreement requires Contractor to provide Services, including Materials, on a non-exclusive basis solely under the written terms contained in the Agreement which shall determine the rights of the Parties regardless of contrary or additional terms in any rate schedules, work orders, invoices, receipts or other documents which may flow from performance under the Agreement.
- B. Special Provisions. Special provisions applicable to Services performed outside of the State of Texas are set forth in Exhibit "C".

2. COMPENSATION, PAYMENTS AND INVOICING

- A. Compensation: As compensation for the satisfactory performance of the Services, Targa shall pay Contractor in accordance with the method of payment set forth in the Purchase Order, which shall be either a lump sum method ("Lump Sum"), a time and materials method ("Time and Materials") or an alternative mutually agreed upon method of payment.
- B. Lump-Sum: If the compensation to Contractor is based on a Lump Sum payment method, then such Lump Sum amount shall be set forth in the Purchase Order and shall be the maximum compensation payable to Contractor for the performance of Services requested under such Purchase Order. Payment of the Lump Sum shall be by either (i) the payment of one Lump Sum amount at the final completion of the Services requested under the Purchase Order, or (ii) progress payments determined on a monthly basis. The amount of any such progress payments shall be based upon the percentage of the value of the Services completed during the applicable month.
- C. Time and Materials:
- i. If the compensation to Contractor is based on a Time and Materials payment method, then Targa shall reimburse Contractor for the following fees and expenses (collectively, "Fees and Expenses"):
- a. the number of hours worked by Contractor, its employees and/or Subcontractors performing the Services multiplied by the applicable hourly rates;
 - b. if expressly agreed by Targa in the Purchase Order, Contractor's reasonable overhead expenses which are solely and directly attributable to the Services;
 - c. unless expressly agreed otherwise by Targa in the Purchase Order, reasonable allowable expenses without markup, including charges for travel and living expenses, supplies, reproduction and equipment rental if necessary for performance of the Services, provided that mileage shall be reimbursed at the then-current per mile rate allowed by the Internal Revenue Services and living expenses (hotel accommodations and meals) may not exceed US\$150.00/day without prior written approval from Targa;
 - d. the cost of Materials; and
 - e. any other charges agreed to in the Purchase Order.

In the event the Parties have agreed to specific rates which apply to a Time and Materials payment method, such rates shall be set forth in Purchase Order. Rates set forth in the Purchase Order, if any, shall only be modified by the written acceptance of Targa.

- ii. If the Parties agree in a Purchase Order that the total Fees and Expenses for the Services shall not exceed a Not-To- Exceed Value, then such Not-To-Exceed Value shall be the maximum compensation payable to Contractor for the performance of the Services under such Purchase Order. In such case, all fees and expenses in excess of the Not-To- Exceed Value shall be paid or incurred by Contractor without reimbursement by Targa.
- INVOICING AND PAYMENT

- D. Invoicing. Contractor shall submit invoices to Targa for Services performed on a Time and Materials basis and for progress payments under a Lump Sum payment method on a monthly basis on or before the fifteenth (15th) day of each month for all Services performed by Contractor during the prior month. Contractor shall submit invoices to Targa for all other Services performed under a Lump Sum payment method upon final completion of the Services under the Purchase Order. Each invoice (i) shall identify the Purchase Order number and shall include sufficient line item detail for Targa to reasonably verify the basis of the charges, including the Services performed and applicable quantities and pricing, (ii) shall be accompanied by any supporting information or documentation reasonably requested by Targa, and (iii) shall be reviewed and approved by an authorized Targa representative prior to submittal. Invoices submitted for Fees and Expenses charged on an hourly basis shall be supported by documents, time sheets or work tickets showing description; date and location of Services performed; and the names of employees and hours each worked. Invoices submitted for Fees and Expenses charged as allowable expenses shall be supported by copies of the actual receipts forming the basis of reimbursement.
- E. Payment. Payment terms are net sixty (60) days from Targa's receipt of a valid and substantiated invoice in compliance with the terms of this Agreement unless otherwise specified in the Purchase Order. Any changes to the default payment terms as set up in Targa's payables system will be applicable to all unpaid invoices. In the event of a dispute regarding any invoice submitted by Contractor, (i) all amounts not disputed shall be paid by Targa as required by this Section 3, (ii) Targa shall promptly notify Contractor of such dispute, and (iii) payment of any withheld and disputed amount shall be made within ten (10) days following resolution of the dispute. Contractor shall provide Targa with written notification of any change in Contractor's depository institution, ACH instructions, wiring instructions, payment instructions, or remittance data instructions in advance of such change and with reasonable time for Targa to effect such change. Contractor will be responsible for any loss, which may arise by reason of any error, mistake, or fraud regarding the payment information provided herein, or any subsequent change to Contractor's payment information, or arising as a result of the negligence or fault of Contractor or Contractor's depository. In the event that payment has not been received by Contractor within the terms of the agreement, Contractor shall notify Targa immediately.
- F. Withholding. In addition to any other right to withhold payments under the Agreement, Targa shall have the right to withhold from payments due Contractor such sums as necessary to protect Targa against any loss or damage which may result by reason of: (i) any willful misconduct or wanton or negligent act, error or omission by Contractor or Contractor's Representatives which gives rise to a claim by Targa or by any Person against Targa; (ii) Contractor's breach of any of its obligations under the Agreement; or (iii) liens filed or threatened in writing against the Site or the Services which are brought by any Subcontractor or any other Person claiming entitlement to money through Contractor.

Contractor shall not charge Targa for packaging (including crating, lumber and other packaging materials) unless otherwise specified in the Purchase Order.
- C. All shipments of Materials shall be made either "F.O.B. Destination" or "F.O.B. Shipping Point" as designated in the Purchase Order. Partial shipments are not allowed unless expressly stated otherwise in the Purchase Order or otherwise authorized by Targa. Freight shall be paid by Contractor, at its sole expense, unless expressly stated otherwise in the Purchase Order.
- D. Targa reserves the right (payment notwithstanding) to reject and return, at Contractor's risk and expense, that portion of any shipment of Materials that may be defective or otherwise fail to comply with the Agreement. Contractor shall not substitute any Materials specified by Targa in the Purchase Order without Targa's prior written approval.

4. TERM OF AGREEMENT

The Agreement shall commence upon delivery to Targa of the Purchase Order signed by Contractor or upon commencement of any Services specified in the Purchase Order, whichever occurs first, and continue in effect until completion of the Services or termination by Targa in accordance with the applicable termination provisions of the Agreement (the "Term").

- B. Correction of Services. If prior to final completion of the Services under the Purchase Order or within one (1) year thereafter, Targa shall reasonably determine that: (i) Contractor has not performed the Services, including provision of Materials, in accordance with the warranties set forth in this Section A.6, or (ii) Contractor has made an error or omission in the performance of the Services, then Contractor, at its own expense, shall promptly undertake and complete such corrective action as is necessary to remedy the error, omission or non-conformance. If Contractor does not complete such required corrective action within five (5) days following receipt of written notice from Targa that such corrective action is required, then Targa may (in addition to any other rights under the Agreement at law or in equity) correct such error, omission or non-conformance, and Contractor shall be liable to Targa for all costs and expenses incurred by Targa in connection with such corrective action. Notwithstanding the foregoing, if any error, omission or non-conformance materially affects the use of the Facilities or presents an imminent threat to the safety or health of any person, Targa may take corrective action immediately without giving such written notice to Contractor, and Contractor shall be liable to Targa for all costs and expenses incurred by Targa in connection with such corrective action and arising out of or relating to the error, omission or non-conformance. Contractor shall pay Targa on demand all costs and expenses for which Contractor is liable under this Section A.6. No acceptance or payment by Targa shall constitute a waiver of any of the foregoing warranties or Contractor's obligations hereunder.
- C. Assignment of Warranties. All manufacturer's warranties and remedies applicable to Materials shall be assigned and transferred to Targa upon final completion of the Services under the Purchase Order, and Contractor agrees to fully assist and cooperate with Targa in the enforcement of such warranties, provided, however, no such warranty shall in any way relieve Contractor from its obligations to Targa with regard to any warranty under this Section A.6.

A.7. MECHANICS' LIENS

To the extent that Targa has paid all undisputed amounts due and owing to Contractor for the Services, Contractor shall keep the Site and the Services free of all mechanic's and materialmen's liens and encumbrances in favor of its Subcontractors and other Persons claiming through Contractor with respect to Services provided under the Agreement. If such a lien or encumbrance is filed on the Site or the Services by a Subcontractor or other Persons claiming through Contractor, Contractor shall notify Targa in writing and shall, at its own cost and expense, take whatever steps are necessary to have the lien or encumbrance satisfied, removed or otherwise

discharged, by bond or otherwise, within thirty (30) days of the date the lien or encumbrance was filed. If Contractor fails to satisfy or remove the lien or encumbrance within such time, Targa may, without any obligation to do so, satisfy, remove or discharge, by bond or otherwise, the lien or encumbrance, and Contractor shall be liable to Targa for all costs and expenses (including reasonable attorneys' fees) in connection with such satisfaction, removal or discharge. Prior to bringing any chemical on Site (whether a Hazardous Substance or otherwise), Contractor shall provide Targa with a Material Safety Data Sheet for such chemicals, notify Targa of the nature of the use of such chemicals and otherwise assist Targa in registering the chemicals at the Site. Contractor shall be responsible for packaging and disposing of, in accordance with Applicable Law, any and all Hazardous Substances that Contractor uses or generates in performing the Services or brings onto the Site or creates at the Site. In addition, Contractor shall advise Targa's on-Site EH&S coordinator of any material, including Hazardous Substances, discovered by Contractor's Representatives on Site that cannot be introduced back into the environment under Applicable Law without additional treatment. At Targa's request, Contractor shall assist Targa in identifying appropriate alternatives for off-Site treatment, storage, or disposal of any such material. Contractor shall make no independent determination relating to the selection of treatment, storage, or disposal of any such material, nor shall Contractor subcontract for the treatment, storage, or disposal of any such material through transporters or others.

- A. Event of Default. Each of the following shall constitute an event of default under the Agreement ("Event of Default"):
- i. Contractor shall fail in any material respect to comply with, observe, or perform, or shall default in any material respect, in the performance of the Services or any of the terms and conditions of the Agreement;
 - ii. Any certification or representation made by Contractor hereunder shall be false or incorrect in any material respect when made; or
 - iii. The occurrence of an Insolvency Event with respect to Contractor.
- B. Notice and Cure for Default. If an Event of Default as defined in Section A.11.A.i or A.ii occurs, Targa shall provide Contractor with notice of the Event of Default. Contractor shall have ten (10) days following receipt of such notice to cure the Event of Default, provided that if such Event of Default is not capable of being cured within such ten (10) day period with the exercise of reasonable diligence, then such cure period shall be extended for an additional reasonable period of time, not to exceed thirty (30) days, so long as Contractor is exercising reasonable diligence to cure the default.

- C. Termination for Default. If the notice was given by Targa as provided for in Section A.11.B and the Event of Default is not cured by the expiration of the corresponding period for cure or if an Event of Default as defined in Section A.11.A.iii occurs, Targa, by notice in writing to Contractor, may, in addition to any other rights and remedies available to it under the Agreement or at law or in equity, terminate the Agreement and/or any part of the Purchase Order. In such event, Targa shall have no further obligation to Contractor with respect to the Agreement or terminated part thereof, except with respect to Services already performed by Contractor in accordance with the Agreement. Contractor shall remain liable to Targa for any and all Claims that Targa may have against Contractor under the Agreement and/or any part of the Purchase Order, including the difference between the cost of completing the Services required under a terminated Purchase Order or part thereof by a substitute contractor and the unpaid balance remaining under the Lump Sum or Not-to-Exceed amount (if applicable), which Claims shall be promptly paid by Contractor upon demand. This obligation of payment shall survive termination of the Agreement or any terminated part thereof.

A.12. TERMINATION FOR CONVENIENCE

Termination for Convenience by Targa. Targa may terminate the Agreement and/or any part of the Purchase Order at any time for its sole convenience by giving Contractor at least thirty (30) days prior written notice to such effect. In the event of any such termination, Contractor shall immediately stop all terminated Services and, unless notified by Targa to the contrary, shall immediately cause all Subcontractors to cease performance of all Services related to the Agreement and/or terminated part of the Purchase Order. In the event of such termination for convenience, Targa shall pay Contractor that portion of the total consideration specified in the Purchase Order equal to the portion of the Services completed in accordance with the Agreement prior to such termination, less any payments made prior to such termination. In no event shall Targa be liable for Services performed after the effective date of termination or anticipated fees or lost profits on account of a termination under this Section.

A.13. RIGHT TO AUDIT

Contractor shall, and shall ensure that its Subcontractors, maintain complete and accurate records pertaining to all transactions and activities relating to the performance of the Services in a manner which is commercially reasonable and in accordance with industry best practices. Contractor further agrees, and shall ensure that its Subcontractors agree, to retain all such records for a period of not less than three (3) years after the completion of Services under the Purchase Order or for such longer period as may be required by Applicable Law. Contractor agrees that such records shall be subject to audit by Targa or its representatives; provided, however, with respect to any Lump Sum amounts, Targa shall not have the right to audit or have audited Contractor's records in connection with the internal composition of such Lump Sum amount, such as the composition of any markups, fixed percentages or multipliers. Targa and its representatives shall have access to Contractor's facilities and shall be provided adequate and appropriate workspace in order to conduct audits. Targa shall have the right to interview current and former Contractor employees as part of any such audit.

A.14. FORCE MAJEURE

In the event Contractor's performance under the Agreement is delayed as a result of a Force Majeure and Contractor provides notice and full particulars of such Force Majeure in writing to Targa as soon as possible but in no event later than three (3) days after the occurrence of the cause relied on, then Contractor shall be entitled to an extension to any completion date(s), period(s) or schedule set forth in the Purchase Order, provided Contractor takes all reasonable actions to mitigate the effect of such Force Majeure. The Parties agree that such extension shall be Contractor's sole remedy for such delay and that such extension shall be set forth in a Change Order. Targa's obligations under the Agreement shall be suspended to the extent that Targa's performance of such obligations is delayed by Force Majeure.

A.15. CONFIDENTIALITY

- A. Confidential Information. During the term of the Purchase Order and for a period of three (3) years after the completion or termination of Services under such Purchase Order, Contractor shall maintain in strictest confidence all proprietary business or technical information concerning Targa, including Work Product, notes, analyses, studies and other documents prepared by Contractor or its Subcontractors that contain or otherwise reflect such information (collectively, the "Confidential Information") and shall not disclose Confidential Information to Contractor's Representatives or any third party, except as otherwise permitted under the terms of this Section A.15. Contractor shall not use Confidential Information for any purpose other than the performance of the Services and shall disclose the Confidential Information only to Contractor's Representatives as necessary to provide the Services, each of whom shall be informed of the confidential nature of the Confidential Information and shall be bound to comply with the terms of this Section A.15. Contractor shall be responsible for any breach of this Section A.15 by Contractor's Representatives.
- B. Exceptions. The provisions of this Section A.15 shall not apply to any portion of the Confidential Information that (i) was developed by Contractor and in Contractor's possession prior to Contractor's first receipt thereof directly or indirectly from Targa; (ii) is now or hereafter becomes generally available on a non-confidential basis to the public through no act or failure to act on Contractor's or any of Contractor's Representative 's part; (iii) was heretofore or hereafter furnished to Contractor on a non-confidential basis by a source other than Targa (directly or indirectly), provided that, to Contractor's knowledge, after due inquiry, such source is not subject to any obligation prohibiting the source from disclosing such information to Contractor; or (iv) is required by Applicable Law to be publicly disclosed by Contractor; provided, however, that Contractor timely notifies Targa of any such requirement in order to provide Targa a reasonable opportunity to seek an appropriate

protective order, and, in the event such protective order or other remedy is not obtained, Contractor agrees to furnish only that portion of the Confidential Information that Contractor is legally required to furnish.

- C. Return of Confidential Information. Contractor shall, upon Targa's request, return all Confidential Information to Targa within thirty (30) days following receipt of Targa's request or certify in writing by an officer or authorized agent of Contractor that the Confidential Information has been destroyed.
- D. Equitable Relief. Contractor acknowledges that disclosure of any Confidential Information by it or Contractor's Representatives will give rise to irreparable injury to Targa, and such persons or entities will not be adequately compensated by damages. Accordingly, Targa may seek and obtain injunctive relief against the breach or threatened breach of the undertakings in this Article, in addition to any other legal remedies which may be available, without the requirement of posting bond.

A.16. INTELLECTUAL PROPERTY; CLAIMS FOR INFRINGEMENT

- A. Work Product. Targa and Contractor acknowledge that during the course of, and as a result of, the performance of the Services, Contractor or its Subcontractors will create written materials, plans, drawings, specifications, reports, studies, computer files, or other tangible manifestations of Contractor's efforts under the Agreement, including architectural work, as that term is defined in the Architectural Works Copyright Protection Act of 1990 ("Work Product"). Work Product prepared by Contractor or its Subcontractors pursuant to the Agreement shall be "works for hire," and all rights, title and interest to the Work Product, including any and all copyrights in the Work Product, shall be owned by Targa irrespective of any copyright notices or confidentiality legends to the contrary which may have been placed in or on such Work Product by Contractor or others. If, for any reason, any part of or all of the Work Product is not considered work for hire for Targa or if ownership of all right, title and interest in the Work Product shall not otherwise vest in Targa, then Contractor agrees that such ownership and copyrights in the Work Product, whether or not such Work Product is fully or partially complete, shall be automatically assigned from Contractor to Targa (including all moral rights), without further consideration, and Targa shall thereafter own all right, title and interest in the Work Product, including all copyright interests.
- B. Contractor's Use and Return of Work Product. All Work Product, including all copies thereof, shall be returned to Targa upon the termination or expiration of the Agreement. The Work Product and copies thereof are not to be used by Contractor or its Subcontractors for any purpose other than the performance of the Services.
- C. Infringement Claims. Contractor warrants that the Services and Work Product will not infringe on any copyright, patent, trade secret or other proprietary interest of any third party. CONTRACTOR SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE TARGA INDEMNIFIED PARTIES AGAINST ALL CLAIMS FOR ANY COPYRIGHT, PATENT OR OTHER PROPRIETARY RIGHT INFRINGEMENT OR MISAPPROPRIATION OF A TRADE SECRET, ARISING OUT OF OR RESULTING FROM THE PERFORMANCE OF THE SERVICES OR WORK PRODUCT DELIVERED BY CONTRACTOR UNDER THE AGREEMENT, AND CONTRACTOR SHALL REIMBURSE THE TARGA INDEMNIFIED PARTIES FULLY FOR ANY ROYALTIES, DAMAGES OR OTHER PAYMENTS THAT A TARGA INDEMNIFIED PARTY SHALL BE OBLIGATED TO PAY. In the event Targa's use of any Services is interrupted as a result of such a claim, then Contractor shall, at its sole cost and expense and Targa's option, either (i) procure for Targa the right to continue using the infringing Services as though it were non-infringing, or (ii) replace or modify the infringing portion of the Services to make such Services non-infringing without materially impairing their usefulness or performance .

A.17. TAXES

- A. General. Unless otherwise expressly set forth in the Purchase Order, Contractor shall be fully responsible for all state and federal income taxes, pension benefits, social security taxes, employment, disability and other customary insurance and for any other taxes (except sales, use, excise and gross receipts taxes addressed below) or payments which may be due and owing by Contractor or which are the result of fees or amounts paid by Targa to Contractor under the Agreement. CONTRACTOR SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS THE TARGA INDEMNIFIED PARTIES FROM ANY CLAIMS RESULTING FROM CONTRACTOR'S FAILURE TO PAY ANY TAXES THAT ARE CONTRACTOR'S RESPONSIBILITY UNDER THIS SECTION.
- B. Local Sales, Use, Excise and Gross Receipts Taxes. WITH RESPECT TO STATE AND LOCAL SALES, USE, EXCISE AND GROSS RECEIPTS TAXES, CONTRACTOR IS RESPONSIBLE FOR ALL TAXES STATUTORILY IMPOSED ON CONTRACTOR AND SHALL INCLUDE SUCH TAXES IN ITS PRICES AND RATES. TARGA IS RESPONSIBLE FOR STATE AND LOCAL SALES, USE, EXCISE AND GROSS RECEIPTS TAXES STATUTORILY IMPOSED ON THE CONSUMER, AND AS SUCH, CONTRACTOR'S PRICES AND RATES SHALL NOT INCLUDE THESE TAXES, BUT RATHER CONTRACTOR SHALL INVOICE THESE TAXES AS A SEPARATE ITEM UNLESS TARGA PRESENTS EVIDENCE OF EXEMPTION FROM THE APPLICABLE TAX. BOTH CONTRACTOR AND TARGA AGREE TO PROVIDE THE OTHER WITH THE NECESSARY INFORMATION TO DETERMINE THE TAXABILITY OF THE CHARGES INCURRED PURSUANT TO THE AGREEMENT, WHICH MAY INCLUDE, BUT IS NOT LIMITED TO, PROVIDING SUPPORT FOR THE BREAKOUT OF MATERIALS FROM LABOR WHEN REQUESTED.

A.18. CHANGES

Targa may, from time to time, order changes in the Services consisting of deletions or modifications, with the Lump Sum, Not-To-Exceed Value or completion date(s), as applicable, being adjusted accordingly. Such changes in the Services shall be authorized in writing using a Change Order. The value of Services to be deleted or modified shall be determined by agreement between the Parties and set forth in the Change Order. A Change Order executed pursuant to this Section or accepted upon commencement of the Services therein, whichever occurs first, shall constitute a full and final settlement and accord and satisfaction of all effects of the change as described in the Change Order and shall be deemed to compensate Contractor fully for the change. All Change Orders shall become a valid and binding part of the Purchase Order. All Change Orders shall be subject to and be in accordance with the terms and conditions of the Agreement.

A.19. GOVERNING LAW, JURISDICTION AND VENUE

The Agreement shall be governed and construed in accordance with the laws of the State of Texas, without regard to its conflicts of law principles. - E. No Publicity. Contractor shall not reveal any information concerning details of the Agreement to the press or a news-disseminating agency or use the details of the Agreement within any advertising, promotional material, publicity or other printed material without Targa's prior written approval in each instance. - B. THE INSURANCE REQUIREMENTS SET FORTH IN THIS EXHIBIT "B" SHALL IN NO WAY LIMIT CONTRACTOR'S LIABILITY OR RESPONSIBILITY UNDER THE AGREEMENT NOR SHALL THEY BE CONSTRUED TO BE THE ULTIMATE TYPES AND AMOUNTS OF INSURANCE CONTRACTOR SHOULD MAINTAIN TO ADEQUATELY INSURE ITSELF.
- C. It is further expressly agreed by Contractor that any and all premiums and deductibles and/or any other charges due with respect to such policies of insurance shall be assumed by and for the account of Contractor. Contractor shall carry deductibles acceptable to Targa. In the event Contractor has a self-insured retention or is a self-insurer for any one or more of the risks to which coverage is herein required, Contractor shall provide Targa with written evidence of such self-insurance for Targa's review and acceptance which shall be given by written consent by an authorized representative of Targa. Furthermore, if the Contractor, or any of its Subcontractors, self-insures a risk as set forth in this Section, the Contractor or Subcontractor waives any claim for damage or loss as to that risk in favor of the indemnitees.
- Documents evidencing self-insurance, including and not limited to company financial information, must be provided prior to consent being given by Targa to accept self-insurance in lieu of insurance, and Contractor expressly understands and acknowledges that any such self-insurance does not contemplate the revocation of any State Workers' Compensation Act and does not relieve the Contractor or any Subcontractor of their statutory obligations under such Act. Similarly, acceptance of self-insurance by Targa, as referenced above, does not invalidate any other obligations or responsibilities under this Agreement, it being expressly understood by both Parties that any such accepted self-insurance shall serve only as a substitution for the specifically identified insurance requirement in this Agreement. Any self-insured retention attached to the required Commercial General Liability policy required herein shall be specifically amended to expressly allow payments by the Additional Insured to satisfy the named Insured's self-insured retention amount.
- D. All such policies of insurance (with the exception of Workers' Compensation, Employer's Liability, and if required to be provided, Professional Liability Insurance) shall name the Targa Indemnified Parties as an Additional Insured on such policies with Additional Insured Endorsement (CG 2010 0704 and CG 2037 0704 or equivalent) such that the Additional Insured protection provides coverage for both Ongoing Operations and Products/Completed Operations, and shall provide for contractual liability covering the obligations assumed by Contractor herein. Further, all of the above insurance policies shall contain provisions that no cancellation or material change shall become effective except on thirty (30) days prior written notice to Targa (ten (10) days for non-payment of premiums). The certificate of insurance issued by Contractor shall include a copy of the following specific endorsements in favor of Targa: Additional Insured, Waiver of Rights of Subrogation, and Notice of Cancellation. Renewal certificates shall be delivered to Targa within ten (10) days of policy expiration. Contractor's insurance policies shall not contain exclusions for claims arising out of the negligence of the Targa Indemnified Parties as an Additional Insured. Receipt of any certificate of insurance by Targa that does not meet the requirements set forth herein does not constitute a waiver of such requirements or acceptance of non-conforming certificates.
- E. All policies of insurance referred to herein must be written on an "Occurrence" Basis and (except for Workers' Compensation and Employer's Liability) maintain an endorsement to be Primary and Non-Contributory to any other insurance policies carried by Targa with respect to Contractor's operations . In the event a 'Claims-Made' coverage form is used, Contractor

shall ensure that a minimum three-year extended reporting period is obtained from the end of the services performed. Contractor shall provide to Targa a certified copy of any and all applicable insurance policies within ten (10) business days upon request by Targa. Targa must be notified immediately upon knowledge of possible damage claims that might cause a reduction below seventy-five percent (75%) of any aggregate limit of any policy.

- F. Except where prohibited by Applicable Law, all policies of insurance pertaining to the Agreement which are procured, held or maintained by Contractor and each of its Subcontractors, whether required by the Agreement or not, shall be endorsed to provide that the underwriters or insurers waive any and all rights of subrogation against the Targa Indemnified Parties.
- G. Prior to Services commencing under the Purchase Order, Contractor shall provide to Targa certificates of insurance for itself and each of its Subcontractors on standard ACORD form signed by an authorized representative evidencing the coverages, limits, deductibles, self-insured retentions (as approved by Targa), endorsements and extensions required herein for Targa and each entity required to be named as an Additional Insured. Notwithstanding Contractor's obligation to provide, and Targa's right to receive, proof of insurance in compliance with this Exhibit "B", any failure of Targa to require, or to insist that Contractor comply with its obligations to provide, proof of insurance prior to the commencement of any Services, or at any other time, shall not operate as a waiver of Contractor's obligations to provide insurance.
- H. Targa may also require that Contractor provide a payment and/or performance bond with respect to certain Services based on Targa's review of Contractor's financial strength. If so, such requirements shall be set forth in the Purchase Order.

- A. For Services performed under the Purchase Order for the benefit of Facilities located in Louisiana, TARGA AND CONTRACTOR AGREE THAT THE LOUISIANA OILFIELD ANTI-INDEMNITY ACT, LA. REV. STAT. § 9:2780, ET. SEQ., IS INAPPLICABLE TO THE AGREEMENT AND THE PERFORMANCE OF THE SERVICES. APPLICATION OF THESE CODE SECTIONS TO THE AGREEMENT WOULD BE CONTRARY TO THE INTENT OF THE PARTIES, AND EACH PARTY HEREBY IRREVOCABLY WAIVES ANY CONTENTION THAT THESE CODE SECTIONS ARE APPLICABLE TO THE AGREEMENT OR THE SERVICES. IN ADDITION, IT IS THE INTENT OF THE PARTIES IN THE EVENT THAT THE AFOREMENTIONED ACT WERE TO APPLY THAT EACH PARTY SHALL PROVIDE INSURANCE TO COVER THE LOSSES CONTEMPLATED BY SUCH CODE SECTIONS AND ASSUMED BY EACH SUCH PARTY UNDER THE INDEMNIFICATION PROVISIONS OF THE AGREEMENT, AND CONTRACTOR AGREES THAT THE COMPENSATION SET FORTH UNDER THE AGREEMENT (AS MAY BE ADJUSTED BY CHANGE ORDER IN ACCORDANCE WITH SECTION A.18) COMPENSATES CONTRACTOR FOR THE COST OF PREMIUMS FOR THE INSURANCE PROVIDED BY IT UNDER THE AGREEMENT. THE PARTIES AGREE THAT EACH PARTY'S AGREEMENT TO SUPPORT THEIR INDEMNIFICATION OBLIGATIONS BY INSURANCE SHALL IN NO RESPECT IMPAIR THEIR INDEMNIFICATION OBLIGATIONS.
- B. For Services which are subject to LA. REV. STAT. § 9:2780.1 and which are performed under an applicable Purchase Order for the benefit of Facilities located in Louisiana, Targa and Contractor agree that Sections A.9.A, A.9.B, A.9.C, A.9.D and A.9.E shall not apply and shall be replaced by the following:
- CONTRACTOR SHALL FULLY INDEMNIFY, DEFEND AND HOLD HARMLESS THE TARGA INDEMNIFIED PARTIES FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM OR RELATED TO PERSONAL INJURY, ILLNESS OR DEATH OR LOSS OF OR DAMAGE TO PROPERTY ARISING OUT OF OR RELATED TO THE PERFORMANCE OR NONPERFORMANCE OF THIS AGREEMENT OR THE SERVICE S, TO THE EXTENT CAUSED BY THE NEGLIGENCE, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY CONTRACTOR INDEMNIFIED PARTY, ANY SUBCONTRACTOR OR ANY EMPLOYEE, OFFICER, DIRECTOR OR AGENT OF ANY SUBCONTRACTOR. CONTRACTOR 'S LIABILITY HEREUNDER SHALL APPLY REGARDLESS OF WHETHER ANY TARGA INDEMNIFIED PARTY WAS CONCURRENTLY NEGLIGENT (WHETHER ACTIVELY OR PASSIVELY), IT BEING AGREED BY THE PARTIES THAT IN THIS EVENT, THE PARTIES' RESPECTIVE LIABILITY OR RESPONSIBILITY FOR SUCH CLAIMS UNDER THIS SECTION SHALL BE DETERMINED IN ACCORDANCE WITH THE PRINCIPLES OF COMPARATIVE NEGLIGENCE.
- C. In all cases where Contractor's employees (defined to include direct, borrowed, special, or statutory employees of Contractor and its Subcontractors) are performing Services in or offshore the state of Louisiana or are otherwise covered by the Louisiana Workers' Compensation Act, La. Rev. Stat. § 23:1021, *et. seq.*, Targa and Contractor agree that the Services performed by Contractor, its Subcontractors, and Contractor's and its Subcontractor's employees pursuant to the Agreement are an integral part of and are essential to the ability of Targa to generate Targa's goods, products and services for the purpose of La. Rev. Stat. § 23:1061(a)(1). Furthermore, Targa and Contractor agree that Targa is the statutory employer of Contractor's and its Subcontractors' employees solely for purposes of La. Rev. Stat. § 23:1061(a)(3) for the applicable Services, and that Targa shall be entitled to the protections afforded a statutory employer under Louisiana law. Regardless of Targa's status as the statutory or special employer (as defined in La. Rev. Stat. § 23:1031(c)) of the employees of Contractor or its Subcontractors, and regardless of any other relationship or alleged relationship between such employees and Targa, Contractor shall be and remain at all times primarily responsible for the payment of all worker's compensation and medical benefits to Contractor and its Subcontractors, and neither Contractor, its Subcontractors, nor their respective insurers or underwriters shall be entitled to seek contribution or indemnity for any such payments from Targa or any Targa Indemnified Party. NOTWITHSTANDING THE FOREGOING, UNDER NO CIRCUMSTANCES SHALL THIS SECTION BE INTERPRETED TO RELIEVE CONTRACTOR FROM ITS FULL RESPONSIBILITY AND LIABILITY TO TARGA UNDER THE AGREEMENT FOR THE EMPLOYEES OF CONTRACTOR OR ITS SUBCONTRACTORS (WHETHER OR NOT SUCH EMPLOYEES ARE A STATUTORY, SPECIAL OR BORROWED EMPLOYEE, OR OTHERWISE), INCLUDING CONTRACTOR'S OBLIGATIONS TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE TARGA INDEMNIFIED PARTIES FROM AND AGAINST INJURY OR DEATH TO SUCH EMPLOYEES OR DAMAGE TO OR DESTRUCTION OF PROPERTY OF SUCH EMPLOYEES, AS PROVIDED IN SECTIONS A.9.A AND A.9.B.
