### **Forward-Looking Statements**

Certain statements in this release are “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including, without limitation, statements regarding the expected benefits of the proposed

transactions to the Partnership, the Company, APL, ATLS and their unitholders or stockholders, the anticipated completion of the proposed transactions or the timing thereof, the expected future growth, dividends, distributions of the combined companies, and plans and objectives of management for future operations. All statements, other than statements of historical facts, included in this release that address activities, events or developments that Targa expects, believes or anticipates will or may occur in the future, are forward-looking statements. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties, factors and risks, many of which are outside Targa's control, which could cause results to differ materially from those expected by management of Targa. Such risks and uncertainties include, but are not limited to, weather, political, economic and market conditions, including a decline in the price and market demand for natural gas, natural gas liquids and crude oil, the timing and success of business development efforts; and other uncertainties. These and other applicable uncertainties, factors and risks are described more fully in Targa's filings with the SEC, including the Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Targa does not undertake an obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
